**LIMITED OBJECTION OF EUROSAIL-UK 2007-2NP PLC  
TO THE DEBTORS' PROPOSED ASSUMPTION  
OF CERTAIN EXECUTORY CONTRACTS PURSUANT TO  
DEBTORS' THIRD AMENDED PLAN OF REORGANIZATION  
PURSUANT TO SECTION 1121 OF THE BANKRUPTCY CODE**

TO THE HONORABLE JAMES M. PECK,  
UNITED STATES BANKRUPTCY JUDGE:

Without submitting to this Court's jurisdiction, Eurosail-UK 2007-2NC PLC ("Eurosail"), by and through its undersigned counsel, hereby submits this limited objection (the "Limited Objection") to the assumption by Lehman Brothers Special Financing Inc. ("LBSF") of certain derivative contracts, as set forth in the Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc. and its Affiliated Debtors (the "Plan"), the Plan Supplement, dated October 25, 2011 (the "Plan Supplement"), and the Notice of Proposed Assumption of Executory Contracts and Unexpired Leases Pursuant to the Debtors' Third Amended Joint Chapter 11 Plan

Pursuant to Section 1121 of the Bankruptcy Code (the “Eurosail Notice of Assumption”). In support of this Objection, Eurosail respectfully states as follows:

**PRELIMINARY STATEMENT**

1. Despite efforts to seek additional information from the Debtors (as defined below), Eurosail simply lacks sufficient information regarding the Debtors’ intentions with respect to the Master Agreement, their methodology for calculating the proposed cure amount and an understanding of what the cure amount represents. Without submitting to this Court’s jurisdiction, Eurosail therefore objects to assumption of the Master Agreement inasmuch as Eurosail requires more time and information to take an position on the Debtors’ requested relief.

2. The Debtors’ intention in seeking to assume the Master Agreement is a source of particular uncertainty to Eurosail because, from Eurosail’s perspective, the Master Agreement lacks any economic value to the Debtors, irrespective of whether it is assumed or not. Any obligation by Eurosail to make payments to the Debtors – the only source of potential value to the Debtors arising from the Master Agreement – is suspended by the clear terms of the agreement itself, which provides that a bankruptcy filing by one party constitutes an event of default that suspends the non-bankrupt counterparty’s obligations. This provision is enforceable under English law, which governs the Master Agreement, and, Eurosail believes, will be upheld by English courts, to which the parties have granted exclusive jurisdiction. For this reason, Eurosail reserves the right to argue before the English courts that Eurosail’s obligation to make any payments that would otherwise be due to LBSF under the Master Agreement has been suspended—even if this Limited Objection is overruled and the Debtors assume the Master Agreement.

### **BACKGROUND**

3. Eurosail is a public limited company incorporated in England and Wales on 13 February 2006 for the purpose of, amongst other things, issuing instruments backed by residential mortgage loans. Eurosail has no operations or significant contacts within the United States.

4. Eurosail and LBSF entered into that certain ISDA Master Agreement, dated as of March 29, 2007 (including the Schedule to the 1992 ISDA Master Agreement dated as of March 29, 2007 (the “Schedule”), the Credit Support Annex to the Schedule to the ISDA Master Agreement dated as of March 29, 2007 (the “Credit Support Annex”), certain transaction confirmations dated March 29, 2007 (the “Confirmations”), and any amendments thereto, the “Master Agreement”). True and correct copies of the Master Agreement, Schedule, Credit Support Annex and Confirmations are attached, respectively as Exhibits A, B, C and D.<sup>1</sup>

5. The Master Agreement provides that the agreement will be governed in accordance with the law specified in the Schedule. See Master Agreement ¶ 13(a). The Schedule specifically provides that the agreement will be governed by the laws of England. See ¶ 4(i). The Master Agreement further provides that the parties thereto submit to the jurisdiction of the English courts if the agreement is expressed to be governed by English law. See Master Agreement ¶ 13(b) and ¶ 4(i) of the Schedule.

6. Under the terms of the Master Agreement, the parties entered into multiple transactions (collectively, the “Transactions”), each with a specific termination date. Specifically, pursuant to the Master Agreement, the parties entered into two Transactions dated March 29, 2007, one of which reached its scheduled termination date on June 13, 2011. Each

---

<sup>1</sup> All capitalized terms not defined herein shall have the meaning ascribed to them in the Master Agreement.

Transaction gives rise to payment obligations from one party to another, to be satisfied periodically before maturity.

7. Section 2(a)(i) of the Master Agreement provides that “Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.” This section is modified by Section 2(a)(iii), which provides that “Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.”

8. Beginning on September 15, 2008 and periodically thereafter, Lehman Brothers Holdings Inc., LBSF and certain of their affiliates (collectively, the “Debtors”) commenced voluntary cases under chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York. As the Debtors’ bankruptcy filing constituted an Event of Default under Section 5(a)(vii) of the Master Agreement that “occurred and is continuing,” by operation of Section 2(a)(iii), any payment obligations pursuant the Master Agreement by Eurosail were effectively extinguished.

9. On or about September 22, 2009, Eurosail timely filed a proof of claim against LBSF (Claim No. 28807) seeking recovery under the Master Agreement in an unliquidated amount (the “Eurosail Claim”). The Eurosail Claim stated, among other things, that the respective claimant “does not submit to the jurisdiction of this Court for any purpose other than with respect to this Proof of Claim” and “expressly reserves the right to withdraw this Proof of Claim as if it had never been filed.”

10. Pursuant to the Order Approving the Disclosure Statement, the Court approved the Debtors' Notice of (i) Approval of Disclosure Statement; (ii) Establishment of Record Date; (iii) Hearing on Confirmation of the Plan and Procedures for Objecting to Confirmation of the Plan; and (iv) Procedures and Deadline for Voting on the Plan dated September 9, 2011 (the "Confirmation Hearing Notice"). Pursuant to Section 9(a) of the Confirmation Hearing Notice, the Debtors obligated themselves to serve a notice of proposed cure amounts (the "Cure Amount Notice") to any counterparty to an executory contract to be assumed pursuant to the Plan.

11. On September 1, 2011, the Debtors filed the Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc. and its Affiliated Debtors [Docket No. 19627]. Pursuant to Section 11.1 of the Plan, upon Plan confirmation, and as of the Plan's effective date, all executory contracts existing between the Debtors and any counterparty will be deemed rejected, except for those executory contracts that are specifically designated as a contract to be assumed by the Debtors.

12. On October 25, 2011, the Debtors filed the Plan Supplement [Docket No. 21254], which sets forth, in Exhibit 2, the Schedule of Executory Contracts and Unexpired Leases to be Assumed Pursuant to Section 11.1 of the Plan (the "Assumption Schedule"). The Debtors list the Master Agreement as an executory contract to be assumed by the Debtors.

13. On or about November 4, 2011, Eurosail received the Notice of Proposed Assumption of Executory Contracts and Unexpired Leases Pursuant to the Debtors' Third Amended Joint Chapter 11 Plan Pursuant to Section 1121 of the Bankruptcy Code (the "Eurosail Notice of Assumption"), which purported to notify Eurosail that the Debtors intended to assume all derivative contracts entered into between the Debtors and Eurosail. The Notice of

Assumption was served on the trustee under the Master Agreement, BNY Melon Trustee Services Ltd., rather than c/o Wilmington Trust SP Services (London) Limited, the proper notice party under both the Master Agreement and the Eurosail Claim.

14. While the Debtors do not provide a cure amount in the Assumption Schedule, the Eurosail Notice of Assumption lists the cure amount proposed by the Debtors as £1,807,920.00.

15. On or around the date hereof, Eurosail withdrew the Eurosail Claim.

### **ARGUMENT**

16. Without more information from the Debtors, Eurosail is left speculating as to the Debtors' intention in seeking to assume the Master Agreement, and without guidance by the Debtors, Eurosail has no basis to evaluate or critique the Debtors' methodology.

17. Without any guidance from the Debtors, Eurosail's unsupported suspicion is that the Debtors are seeking to assume the Master Agreement in an effort to somehow nullify the effect of Section 2(a)(iii) of the Master Agreement, pursuant to which Eurosail's payment obligations in respect of the Transactions have been suspended. Eurosail is not requesting a ruling by this Court with respect to the operation of the Master Agreement, which, by its terms, is governed by English law and to be interpreted and upheld by English courts. However, Eurosail objects to the Debtors' assumption of the Master Agreement to the extent that the Debtors will seek to rely on the assumption as having any impact on Eurosail's obligations under the Master Agreement. Such an interpretation would be inconsistent with English law, pursuant to which contract provisions such as Section 2(a)(iii) that provide for the exercise of a party's contractual right triggered by the counterparty's bankruptcy filing are enforceable. Assumption of the Master Agreement will not revive Eurosail's payment obligations under English law.

Assumption of the Master Agreement should only be approved by the Bankruptcy Court to the extent that it will have no *res judicata* effect in a later proceeding (presumably before the English courts, which have exclusive jurisdiction over the Master Agreement and the parties thereto) regarding the parties' payment obligations under the Master Agreement.

### **RESERVATION OF RIGHTS**

18. Eurosail does not submit to the jurisdiction of this Court for any reason but to assert this Limited Objection to the assumption of the Master Agreement. Eurosail explicitly objects to the personal jurisdiction of the Court with regard to any motion, request for relief or adversary proceeding commenced against it by any party.

### **CONCLUSION**

WHEREFORE, for the foregoing reasons, Eurosail respectfully requests that the Court deny the Debtors' proposed assumption of the Master Agreement and the Debtors' proposed cure amounts.

**MASTER AGREEMENT**

dated as of **29 March 2007**

**LEHMAN BROTHERS SPECIAL FINANCING INC.**      **EUROSAIL-UK 2007 –2NP PLC**

and

(as Party A)

(as Party B)

have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows:-

**1. Interpretation**

- (a) **Definitions.** The terms defined in Section 14 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

**2. Obligations**

**(a) General Conditions.**

- (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
- (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:-

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:-

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:-

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If:-

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

(e) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. **Representations**

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement) that:-

(a) **Basic Representations.**

- (i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;
- (ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;
- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
- (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) **Payer Tax Representation.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.

#### **4. Agreements**

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:-

(a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under subparagraph (iii) below, to such government or taxing authority as the other party reasonably directs:-

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated,

organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting for the purpose of this Agreement is located ("Stamp Tax Jurisdiction") and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party's execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

## **5. Events of Default and Termination Events**

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an "Event of Default") with respect to such party:-

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation (other than a representation under Section 3(e) or (f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If "Cross Default" is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however

described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:-

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer:-

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, a Tax Event if the event is specified in (ii) below or a Tax Event Upon Merger if the event is specified in (iii) below, and, if specified to be applicable, a Credit Event

Upon Merger if the event is specified pursuant to (iv) below or an Additional Termination Event if the event is specified pursuant to (v) below:-

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party):-

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Tax Event.** Due to (x) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (y) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Payment Date (1) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iii) **Tax Event Upon Merger.** The party (the "Burdened Party") on the next succeeding Scheduled Payment Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Indemnifiable Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets to, another entity (which will be the Affected Party) where such action does not constitute an event described in Section 5(a)(viii);

(iv) **Credit Event Upon Merger.** If "Credit Event Upon Merger" is specified in the Schedule as applying to the party, such party ("X"), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(v) **Additional Termination Event.** If any "Additional Termination Event" is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

**6. Early Termination**

(a) ***Right to Terminate Following Event of Default.*** If at any time an Event of Default with respect to a party (the “Defaulting Party”) has occurred and is then continuing, the other party (the “Non-defaulting Party”) may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, “Automatic Early Termination” is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) ***Right to Terminate Following Termination Event.***

(i) ***Notice.*** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) ***Transfer to Avoid Termination Event.*** If either an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, excluding immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party’s policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) ***Two Affected Parties.*** If an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iv) ***Right to Terminate.*** If:-

(1) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality under Section 5(b)(i)(2), a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

either party in the case of an Illegality, the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then

continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) ***Effect of Designation.***

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(e) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) ***Calculations.***

(i) ***Statement.*** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) ***Payment Date.*** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment) in the Termination Currency, from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) ***Payments on Early Termination.*** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) ***Events of Default.*** If the Early Termination Date results from an Event of Default:-

(1) ***First Method and Market Quotation.*** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party over (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party.

(2) ***First Method and Loss.*** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) ***Second Method and Market Quotation.*** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the

Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) *Second Method and Loss.* If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event:-

(1) *One Affected Party.* If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties.* If there are two Affected Parties:-

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (II) the Termination Currency Equivalent of the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy.** In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate.** The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

## **7. Transfer**

Subject to Section 6(b)(ii), neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:-

- (a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and
- (b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

## **8. Contractual Currency**

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the "Contractual Currency"). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in a reasonable manner and in good faith in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purposes of such judgment or order and the rate of exchange at which such party is able, acting in a reasonable manner and in good faith in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party. The term "rate of exchange" includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

(c) **Separate Indemnities.** To the extent permitted by applicable law, these indemnities constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

**9. Miscellaneous**

- (a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.
- (b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.
- (c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.
- (d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- (e) **Counterparts and Confirmations.**
- (i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
  - (ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.
- (f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.
- (g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

**10. Offices; Multibranch Parties**

- (a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to the other party that, notwithstanding the place of booking office or jurisdiction of incorporation or organisation of such party, the obligations of such party are the same as if it had entered into the Transaction through its head or home office. This representation will be deemed to be repeated by such party on each date on which a Transaction is entered into.
- (b) Neither party may change the Office through which it makes and receives payments or deliveries for the purpose of a Transaction without the prior written consent of the other party.
- (c) If a party is specified as a Multibranch Party in the Schedule, such Multibranch Party may make and receive payments or deliveries under any Transaction through any Office listed in the Schedule, and the Office through which it makes and receives payments or deliveries with respect to a Transaction will be specified in the relevant Confirmation.

**11. Expenses**

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document

to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

## 12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:-

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

## 13. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:-

- (i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and
- (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Service of Process.** Each party irrevocably appoints the Process Agent (if any) specified opposite its name in the Schedule to receive, for it and on its behalf, service of process in any Proceedings. If for any

reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by law.

(d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

**“Early Termination Date”** means the date determined in accordance with Section 6(a) or 6(b)(iv).

**“Event of Default”** has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

**“Illegality”** has the meaning specified in Section 5(b).

**“Indemnifiable Tax”** means any Tax other than a Tax that would not be imposed in respect of a payment under this Agreement but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the recipient of such payment or a person related to such recipient (including, without limitation, a connection arising from such recipient or related person being or having been a citizen or resident of such jurisdiction, or being or having been organised, present or engaged in a trade or business in such jurisdiction, or having or having had a permanent establishment or fixed place of business in such jurisdiction, but excluding a connection arising solely from such recipient or related person having executed, delivered, performed its obligations or received a payment under, or enforced, this Agreement or a Credit Support Document).

**“law”** includes any treaty, law, rule or regulation (as modified, in the case of tax matters, by the practice of any relevant governmental revenue authority) and “lawful” and “unlawful” will be construed accordingly.

**“Loss”** means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, the Termination Currency Equivalent of an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party’s legal fees and out-of-pocket expenses referred to under Section 11. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

**“Market Quotation”** means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the “Replacement Transaction”) that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have

been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

- (v) **Rating Events**
  - (a) **S&P Rating Event**
    - (1) In the event that the short-term senior, unsecured and unguaranteed debt obligations of Party A’s Credit Support Provider (or its successor or assignee) cease to be rated at least as high as A-1 (an “**Initial S&P Downgrade Event**”) by Standard & Poor’s, a division of The McGraw-Hill Companies, Inc. (“**S&P**”), and as a result of such cessation, the then current rating of the relevant Notes is downgraded by S&P or placed under review for possible

- (A) puts in place a mark-to-market collateral agreement (which may be based on the credit support documentation published by ISDA, or otherwise, and will relate to collateral in the form of cash or securities or both) in support of Party A’s obligations under this Agreement on terms satisfactory to the Trustee (whose consent shall be given if S&P confirms that the provision of such collateral would maintain or restore the rating of the relevant Notes by S&P at/to the level it would have been at immediately prior to such Initial S&P Rating Event) and in accordance with the criteria set out and referred to in the article published by S&P on 17 December 2003 entitled “*Global Interest Rate and Currency Swaps Counterparty Rating Criteria Expanded*”, provided that (x) S&P shall be deemed to have given the required confirmation if the amount of collateral agreed to be provided in the form of cash and/or securities (the “**Collateral Amount**”) is determined on a basis which satisfies, but is no more onerous than, the criteria set out and referred to in the article published by S&P on 26 February 2004 entitled “*Global Interest Rate and Currency Swaps: Calculating the Collateral Required Amount*” which enables entities rated lower than a specified level to participate in structured finance transactions (the “**S&P Criteria**”) (for the avoidance of doubt, “VB” will be calculated using the remaining average life of the Notes to which the relevant Transaction relates rather than the legal final maturity date of the Notes to maintain or restore the rating of the Notes by S&P at or to the level they would have been had such Initial S&P Rating Event not occurred provided that (1) Party A shall provide a legal opinion in a form satisfactory to S&P that provides comfort as to the ability of the Party B to terminate the Transactions under the Agreement and access the collateral free from interference or delay upon the bankruptcy of Party A; and (2) if the short-term, unsecured and unsubordinated debt obligations of Party A (or its successor) or any Credit Support Provider from time to time in respect of Party A cease to be rated at least as high as A-2 by S&P or the long-term, unsecured and unsubordinated debt obligations of Party A (or its successor) or any Credit Support Provider from time to time in respect of Party A cease to be rated at least as high as BBB+ by S&P, Party A shall obtain an external verification of its valuations of the Transactions on a monthly basis in accordance with the requirements of S&P; or

- (C) obtains a guarantee of its rights and obligations with respect to this Agreement from a third party satisfactory to the Trustee (whose consent shall be given if S&P confirms that such guarantee would maintain the rating of the Notes by S&P at, or restore the rating of the Notes by S&P to, the level it would have been had such Initial S&P Rating Event not occurred); or
- (D) take such other action as Party A may agree with S&P as will result in the rating of the Notes by S&P following the taking of such action being maintained at, or restored to, the level it would have been had such Initial S&P Rating Event not occurred,

an Additional Termination Event shall occur immediately following the expiry of such 30 day period, with Party A as the sole Affected Party.

If any of sub-paragraphs (v)(a)(1)(B), (v)(a)(1)(C) or (v)(a)(1)(D) above are satisfied at any time, all collateral (or the equivalent thereof, as appropriate) transferred by Party A pursuant to sub-paragraph (v)(a)(1)(A) will be transferred to Party A and Party A will not be required to transfer any additional collateral in respect of such Initial S&P Rating Event.

- (2) In the event that the rating of the long-term, unsecured and unsubordinated debt obligations of Party A's Credit Support Provider ceases to be rated at least as high as "BBB-" by S&P (a "**Subsequent S&P Rating Event**"), then unless Party A at its own cost and expense:
  - (E) uses its reasonable endeavours to take the action set out in sub-paragraph (v)(a)(1)(B) above immediately upon the occurrence of such Subsequent S&P Rating Event; and
  - (F) if, at the time such Subsequent Rating Event occurs, Party A has provided collateral pursuant to a mark-to-market collateral arrangement put in place pursuant to sub-paragraph (v)(a)(1)(A) above following an Initial S&P Rating Event, it shall continue to post collateral notwithstanding the occurrence of such Subsequent S&P Rating Event until such time as the action set out in sub-paragraph (v)(a)(2)(A) above has been taken,

an Additional Termination Event shall occur immediately following the expiry of such 10 day period, with Party A as the sole Affected Party.

If the action set out in sub-paragraph (v)(a)(2)(A) above is taken at any time, all collateral (or the equivalent thereof, as appropriate) transferred by Party A pursuant to sub-paragraph (v)(a)(1)(A) above will be transferred to Party A and Party A will not be required to transfer any additional collateral in respect of such Subsequent S&P Rating Event.

**(b) Fitch Rating Event**

- (i) If at any time the Short-term Rating or Long-term Rating of Party A's Credit Support Provider's debt obligations are downgraded below F1 and A, as the

case may be, by Fitch Ratings Ltd (“**Fitch**”) then Party A shall within 30 calendar days of the occurrence of such downgrade (a “**Fitch Downgrade Event**”):

- (A) procure the transfer all of its rights and obligations under this Agreement in accordance with Part 5(g) to an entity with the Required Ratings provided that a transfer to an entity incorporated and/or tax resident in a different jurisdiction to Party A shall only be permitted if the tax treatment of payments under this Agreement would not be adversely affected; or
- (B) procure that its obligations with respect to this Agreement are guaranteed by a third party (such guarantee to be in form and substance satisfactory to Party B and the Trustee) with the Required Ratings; or
- (C) put in place put in place a Suitable Collateral Agreement under the terms of which, the collateral to be posted will be in the form of cash or securities or both and for an amount in accordance with the following formula:

each as defined and set out in the article entitled “*Counterparty Risk in Structured Finance Transactions: Swap Criteria*” dated 13 September 2004, as amended from time to time.

The Collateral Advance Rate will be dependent on the type of securities posted. For cash (denominated in Sterling) or cash equivalents the Collateral Advance Rate is 100%. For other collateral that may be subject to market value risk, an appropriate haircut will be agreed with Fitch for the determination of the Collateral Advance Rate.

The cost of putting in place each of the arrangements described in subparagraphs (v)(b)(i)(A), (B), and (C) shall be borne by Party A in each case.

- (ii) If at any time the Short-term Rating or Long term Rating of Party A’s Credit Support Provider’s debt obligations are downgraded below F2 and BBB+, as the case may be, by Fitch then Party A shall:
  - (A) procure the transfer all of its rights and obligations under this Agreement in accordance with Part 5(g) to an entity with the Required Ratings provided that a transfer to an entity incorporated and/or tax resident in a different jurisdiction to Party A shall only be permitted if the tax treatment of payments under this Agreement would not be adversely affected; or
  - (B) procure that its obligations with respect to this Agreement are guaranteed by a third party (such guarantee to be in form and substance satisfactory to Party B and the Trustee) with the Required Ratings; or
  - (C) post the collateral amount in cash or securities or both determined in accordance with Fitch criteria (“**Counterparty Risk in Structured**

- (iii) If at any time the Short-term Rating or Long term Rating of Party A’s Credit Support Provider’s debt obligations are downgraded below F3 and BBB-, as the case may be, by Fitch then Party A shall:
  - (A) procure the transfer all of its rights and obligations under this Agreement in accordance with Part 5(g) to an entity with the Required Ratings provided that a transfer to an entity incorporated and/or tax resident in a different jurisdiction to Party A shall only be permitted if the tax treatment of payments under this Agreement would not be adversely affected; or
  - (B) procure that its obligations with respect to this Agreement are guaranteed by a third party (such guarantee to be in form and substance satisfactory to Party B and the Trustee) with the Required Ratings.

For the avoidance of doubt, if Party A does not take any of the measures described in sub-paragraphs (v)(b)(i), (ii) or (iii) above within 30 days of its downgrade, such failure shall constitute an Additional Termination Event with Party A as the sole Affected Party.

No measure or step taken pursuant to sub-paragraphs (v)(b)(i)(A), (v)(b)(ii)(A) or (v)(b)(iii)(A) above shall be effective and unconditional unless and until the assignee, successor or credit support provider (if applicable) has agreed to be bound by and adhered in manner and form acceptable to the Trustee, the Deed of Charge.

The party making the determination (or its agent) will request each Reference Market-maker to provide its Firm Offer to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after receiving such request. The day and time as of which those Firm Offers are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and after consulting with the other.”

(1) If, on the day falling ten Local Business Days after the day on which the Early Termination Date is designated or such later day as Party B may specify in writing to Party

A (but in either case no later than the Early Termination Date) (such day the “Latest Settlement Amount Determination Day”), no Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions has been accepted by Party B so as to become legally binding and one or more Market Quotations have been made and remain capable of becoming legally binding upon acceptance, the Settlement Amount shall equal the Termination Currency Equivalent of the amount (whether positive or negative) of the Market Quotation which is most beneficial to Party A in determining the Settlement Amount ; and

(2) if, on the Latest Settlement Amount Determination Day, no Market Quotation for the relevant Terminated Transaction or group of Terminated Transactions is accepted by Party B so as to become legally binding and no Market Quotations have been made and remain capable of becoming legally binding upon acceptance, the Settlement Amount shall equal Party B’s Loss (whether positive or negative and without reference to any Unpaid amounts) for the relevant Terminated Transaction or group of Terminated Transactions.

(iv) For the purpose of paragraph (4) of the definition of Market Quotation, Party B shall determine in its sole discretion, acting in a commercially reasonable manner, whether a Firm Offer is made in respect of a Replacement Transaction with terms substantially the same as those of this Agreement (save for the exclusion of provisions relating to Transactions that are not Terminated Transactions).

(iv) At any time on or before the Latest Settlement Amount Determination Day at which two or more Market Quotations remain capable of becoming legally binding upon acceptance, Party B shall be entitled to accept only the Firm Offer which is most beneficial to Party A in determining the Settlement Amount.

(v) If Party B requests Party A in writing to obtain Market Quotations, Party A shall use its reasonable efforts to do so before the Latest Settlement Amount Determination Day.

(vi) If the Settlement Amount is a negative number, Section 6(e)(i)(3) of this Agreement shall be deleted in its entirety and replaced with the following:

“**Second Method and Market Quotation**”. If Second Method and Market Quotation apply, (1) Party B shall pay to Party A an amount equal to the absolute value of the Settlement Amount in respect of the Terminated Transactions, (2) Party B shall pay to Party A the Termination Currency Equivalent of the Unpaid Amounts owing to Party A and (3) Party A shall pay to Party B the Termination Currency Equivalent of the Unpaid Amounts owing to Party B, Provided that, (i) the amounts payable under (2) and (3) shall be subject to netting in accordance with Section 2(c) of this Agreement and (ii) notwithstanding any other provision of this Agreement, any amount payable by Party A under (3) shall not be netted-off against any amount payable by Party B under (1).”

(t) *Moody’s Notifications*

Notwithstanding any other provision of this Agreement, this Agreement shall not be amended, no Early Termination Date shall be effectively designated by Party B, and

no transfer of any rights or obligations under this Agreement shall be made (other than a transfer of all of Party A's rights and obligations with respect to this Agreement in accordance with Part 5(p)(ii) above) unless Moody's has been given prior written notice of such amendment, designation or transfer.

GUARANTEE OF LEHMAN BROTHERS HOLDINGS INC.

LEHMAN BROTHERS SPECIAL FINANCING INC. ("Party A") and EUROSAIL-UK 2007-2NP PLC ("Party B") have entered into a Master Agreement dated as of 29 March 2007, as amended from time to time (the "Master Agreement"), pursuant to which Party A and Party B have entered and/or anticipate entering into one or more transactions (each a "Transaction"), the Confirmation of each of which supplements, forms part of, and will be read and construed as one with, the Master Agreement (collectively referred to as the "Agreement"). This Guarantee is a Credit Support Document as contemplated in the Agreement. For value received, and in consideration of the financial accommodation accorded to Party A by Party B under the Agreement, LEHMAN BROTHERS HOLDINGS INC., a corporation organized and existing under the laws of the State of Delaware ("Guarantor"), hereby agrees to the following:

(a) Guarantor hereby unconditionally guarantees to Party B the due and punctual payment of all amounts payable by Party A in connection with each Transaction when and as Party A's obligations thereunder shall become due and payable in accordance with the terms of the Agreement (whether at maturity, by acceleration or otherwise). Guarantor hereby agrees, upon written demand by Party B, to pay or cause to be paid any such amounts punctually when and as the same shall become due and payable.

(b) Guarantor hereby agrees that its obligations under this Guarantee constitute a guarantee of payment when due and not of collection.

(c) Guarantor hereby agrees that its obligations under this Guarantee shall be unconditional, irrespective of the validity, regularity or enforceability of the Agreement against Party A (other than as a result of the unenforceability thereof against Party B), the absence of any action to enforce Party A's obligations under the Agreement, any waiver or consent by Party B with respect to any provisions thereof, the entry by Party A and Party B into any amendments to the Agreement, additional Transactions under the Agreement or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (excluding the defense of payment or statute of limitations, neither of which is waived) provided, however, that Guarantor shall be entitled to exercise any right that Party A could have exercised under the Agreement to cure any default in respect of its obligations under the Agreement or to setoff, counterclaim or withhold payment in respect of any Event of Default or Potential Event of Default in respect of Party B or any Affiliate, but only to the extent such right is provided to Party A under the Agreement. The Guarantor acknowledges that Party A and Party B may from time to time enter into one or more Transactions pursuant to the Agreement and agrees that the obligations of the Guarantor under this Guarantee will upon the execution of any such Transaction by Party A and Party B extend to all such Transactions without the taking of further action by the Guarantor.

(d) This Guarantee shall remain in full force and effect until the first to occur of (i) receipt by Party B of a written notice of termination from Guarantor or (ii) none of the obligations of Party A remain outstanding. Termination of this Guarantee shall not affect Guarantor's liability hereunder as to obligations incurred or arising out of Transactions entered into prior to the termination hereof.

(e) Guarantor further agrees that this Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligation or interest thereon is rescinded or must otherwise be restored by Party B upon an Event of Default as set forth in Section 5(a)(vii) of the Master Agreement affecting Party A or Guarantor.

(f) Guarantor hereby waives (i) promptness, diligence, presentment, demand of payment, protest, order and, except as set forth in paragraph (a) hereof, notice of any kind in connection with the Agreement and this Guarantee, or (ii) any requirement that Party B exhaust any right to take any action against Party A or any other person prior to or contemporaneously with proceeding to exercise any right against Guarantor under this Guarantee.

This Guarantee shall be governed by and construed in accordance with the laws of the State of New York without regard to conflicts of laws principles. All capitalized terms not defined in this Guarantee, but defined in the Agreement, shall have the meanings assigned thereto in the Agreement.

IN WITNESS WHEREOF, Guarantor has caused this Guarantee to be executed by its duly authorized officer as of the date of the Agreement.

The transfer of the Interest Amount will be made on the second Local Business Day following the end of each calendar month and on any other Local Business Day on which Equivalent Credit Support in the form of cash is transferred to the Transferor pursuant to Paragraph 2(b), in each case to the extent that a Delivery Amount would not be created or increased by that transfer, *provided* that Party B shall not be obliged to so transfer any Interest Amount unless and until it has earned and received such interest.

(x) the amount of such currency comprised in the Credit Support Balance at the close of business for general dealings in such currency on such day

(or, if such day is not a Local Business Day, on the immediately preceding Local Business Day); *multiplied by*

(g) **Addresses for Transfers.**

Party B: To be notified to Party A by Party B upon request by Party A.

(h) **Other Provisions.**

The final paragraph of Paragraph 3(a) shall be deleted and replaced with the following:

“Subject to Paragraph 4, and unless otherwise specified, any transfer of Eligible Credit Support or Equivalent Credit Support (whether by the Transferor pursuant to Paragraph 2(a) or by the Transferee pursuant to Paragraph 2(b)) shall be made not later than the close of business on the Settlement Day, provided that, in the case of any transfer of Equivalent Credit Support by the Transferee pursuant to Paragraph 2(b), if the demand for the transfer of Equivalent Credit Support is received by the Transferee after the Notification Time, then such transfer will be made not later than the close of business on the Settlement Day relating to the day after such demand is received.”

(ii) ***Early Termination***

The heading for Paragraph 6 shall be deleted and replaced with “Early Termination” and the following shall be added after the word “Default” in the first line of Paragraph 6, “in relation to all Transactions or a Termination Event in relation to all Transactions”.

(iii) ***Costs of Transfer on Exchange***

Notwithstanding Paragraph 8, the Transferor will be responsible for, and will reimburse the Transferee for, all transfer and other taxes and other costs involved in the transfer of Eligible Credit Support either from the Transferor to the Transferee or from the Transferee to the Transferor pursuant to Paragraph 3(c).

(iv) ***Cumulative Rights***

The rights, powers and remedies of the Transferee under this Annex shall be in addition to all rights, powers and remedies given to the Transferee by the Agreement or by virtue of any statute or rule of law, all of which rights, powers and remedies shall be cumulative and may be exercised successively or concurrently without impairing the rights of the Transferee in the Credit Support Balance created pursuant to this Annex.

(v) ***Single Transferor and Single Transferee***

For the avoidance of doubt Party A shall always be the Transferor and Party B shall always be the Transferee.

(vi) ***Ratings Criteria***

"**Ratings Criteria**" means, the criteria used by S&P published on 17 December 2003 entitled "Standard & Poor's Global Interest Rate and Swap Counterparty Rating Criteria Expanded" and the criteria published on 26 February 2004 entitled "Global Interest Rate and Currency Swaps: Calculating the Collateral Required Amount" ("**S&P Criteria**"), the criteria used by Fitch published on 13 September 2004 and entitled "Counterparty Risk in Structured Finance Transactions: Swap Criteria" ("**Fitch Criteria**") and the criteria used by Moody's ("**Moody's Criteria**") each as specified below for the purposes of determining the amount of Eligible Credit Support that Party A is required to transfer hereunder .

***Moody's Criteria:***

"**Credit Support Amount**" shall be calculated in accordance with the meaning specified in Paragraph 10 provided however that the words "**Transferee's Exposure**" shall be replaced by the words "**Additional Collateral Amount**". For such purposes "**Additional Collateral Amount**" means with respect to the Transferor on a Valuation Date:

- (i) for as long as (1) the Second Rating Trigger Requirements do not apply; or (2) less than 30 Local Business Days have elapsed since the last time the Second Trigger Required Ratings did not apply, an amount equal to the greater of (a) zero and (b) the sum of the Transferee's Exposure and the aggregate of Moody's First Trigger Additional Collateralized Amounts for each Transaction; and
- (ii) for as long as the Second Rating Trigger Requirements do apply and 30 or more Local Business Days have elapsed since the Second Trigger Required Ratings did not apply, an amount equal to the greater of (a) zero, (b) the aggregate amount of the next payments due to be paid by Party A under all Transactions and (c) the sum of the Transferee's Exposure and the aggregate of Moody's Second Trigger Additional Collateralized Amounts for each Transaction.

**"Moody's First Trigger Additional Collateralized Amount"** means, with respect to any Transaction, the lesser of (x) the product of 15 and DV01 for such Transaction and (y) the product of 0.02 and the Notional Amount for such Transaction.

**"Moody's Second Trigger Additional Collateralized Amount"** means:

- (A) with respect to any Transaction that is not a Transaction-Specific Hedge, the lesser of (x) the product of 50 and DV01 for such Transaction and (y) the product of 8% and the Notional Amount for such Transaction; and
- (B) with respect to any Transaction that is a Transaction-Specific Hedge, the lesser of (x) the product of 65 and DV01 for such Transaction and (y) the product of 10% and the Notional Amount for such Transaction.

**"DV01"** means, with respect to a Transaction and any date of determination, the sum of the estimated change in the Secured Party's Exposure with respect to such Transaction that would result from a one basis point change in the relevant swap curve on such date, as determined by the Valuation Agent in good faith and in a commercially reasonable manner. The Valuation Agent shall, upon request of Party B, provide to Party B a statement showing in reasonable detail such calculation.

**"Transaction-Specific Hedge"** means any Transaction that is an interest rate cap, interest rate floor or interest rate swaption, or an interest rate swap in respect of which (x) the notional amount of the interest rate swap is "balance guaranteed" or (y) the notional amount of the interest rate swap for any Calculation Period otherwise is not a specific dollar amount that is fixed at the inception of the Transaction.

Party A will, upon receipt of reasonable notice from Moody's (which, for the avoidance of doubt, will be no less than 30 calendar days), demonstrate to Moody's the calculation by Party A of the Transferee's Exposure.

***S&P Criteria:***

**"Credit Support Amount"** shall mean, with respect to a Transferor on a Valuation Date, zero provided that upon the occurrence of an Initial S&P Rating Event or a Subsequent S&P Rating Event (as each are defined in the Schedule) which arises pursuant to an S&P rating, the Credit Support Amount shall mean such sum as may be agreed between Party A and S&P or, failing such agreement, an amount which shall be determined on a basis which is no more onerous than the S&P Criteria as amended from time to time, or any other applicable criteria which enable entities rated lower than a specified level to participate in structured finance transactions which, through collateralisation, are rated at a higher level. For the avoidance of doubt the Credit Support Amount shall not be required to exceed such amount as would be required (in accordance with the S&P Criteria) to maintain or restore the rating of the Notes by S&P at or to the level they would have been at immediately prior to the relevant Rating Downgrade. For the further avoidance of doubt the over-collateralisation shall be

determined as being  $VB \times 0.1 \times$  the average notional amount over the remaining life of swap, where the VB is determined with reference to the remaining life of the equivalent swap).

***Fitch Criteria:***

"**Credit Support Amount**" shall mean, with respect to a Transferor on a Valuation Date, the greater of zero and (1) an amount equal to the sum of (a) the product of A and the net mark-to-market value of the outstanding Transactions on such Valuation Date determined by Party A in good faith from time to time, and (b) the product of B and the sum of the Notional Amounts (as defined in the Confirmation for each relevant Transaction and as determined by the Calculation Agent with respect to such Valuation Date, taking into account the amortising nature (if relevant) of such Notional Amounts), minus (2) Party A's Threshold, where :

"A" means 100% and "B" means the "Volatility Cushion" (as determined by the Calculation Agent in accordance with the table set out in Appendix 2 to the article entitled "Counterparty Risk in Structured Finance Transactions: Swap Criteria" published by Fitch in September 2004 in the Fitch Criteria) calculated on the basis that the weighted average life of the outstanding Transactions is to be determined by reference to the time remaining (in years) from such Valuation Date until the Termination Date (as defined in the Confirmation relating to the relevant Transaction) of the relevant Transaction only.

(vii) ***Additional Definitions***

"**Rating Agencies**" means S&P, Fitch and Moody's (each a "Rating Agency").
